

# Summer School at Beech Street Elementary

Manchester School District  
195 McGregor St #201, Manchester, NH 03102 (603) 624-6300

To the Family of \_\_\_\_\_

Your child is invited to participate in the Manchester School District's *English Learner Summer Program*. The program provides extended learning time for English learners during the summer break. The program's goal is to reinforce and expand the academic and language growth your child made during the school year. This will help prevent learning loss during summer vacation.

The EL Summer Program is interactive and student-centered. Your child will work with experienced teachers in the classroom, learn from guest speakers in our community, and go on local field trips to get to know the community in a new way. The EL Summer Program gives your child new learning opportunities to help them be more successful in school. The program is free, and a healthy breakfast and lunch are provided every day.
